The Corresponding Author agrees, declares, and undertakes that the *Publisher*, in this scope, may publish the work in formats and media, such as e-book and z-book (enriched book), required by new technology and they may make its applications in different formats such as suitable for iPhone, iPad, iPod, and Android.

The Corresponding Author has transferred and assigned to the *Publisher* the right to publish and re-publish via wired or wireless means, such as radio-TV, satellite, and cable, transmission to public, re-transmission, representation power, and by way of providing access to the Manuscript by third persons at the place and time they choose, including digital transmission. The Corresponding Author has transferred and assigned to the *Publisher* the processing rights and power arising from the Manuscript. In this scope, translation to all languages and dialects; conversion to manuscript types such as music, cinema, opera, and theater or to use together with those; conversion to audio and/or visual book; conversion to complete works; processing such as disseminating by compilation, scaling according to different age groups, adaptation, abridging, and adding to database, illustration and the rights and powers on such processes belong exclusively to the *Publisher*.

The *Publisher* is the owner of the merchandising rights for the Manuscript. In this scope, the *Publisher* may use the name of the Manuscript, any character mentioned in the Manuscript, the names of the characters, the events, photographs, line, and artwork for other purposes, either promotional or commercial or otherwise, together with any other service or product in the manner it wishes and in the sector it wishes. The *Publisher* may also register these elements in its own name as a brand or domain name.

As the Corresponding Author, in the name of all the authors of the study, I agree and declare that I am qualified for transferring in terms of the rights that I transfer and assign, that third persons do not have any rights on the Manuscript, that the rights which I am transferring to the *Publisher* with the present agreement belong to those mentioned, and that I have not previously transferred these rights to any other person, that in the event of third person claim on any right on the whole or a part of the Manuscript, such indemnity and other legal obligation that may arise from that shall belong to myself; that I shall immediately indemnify in cash all damages that the *Publisher* shall incur in such a case, and that the *Publisher* also has the power to terminate the power agreement for such reasons.

As the Corresponding Author for the Manuscript, I acknowledge that I/We agree to all conditions in the section, "Notes for Authors," in the *Turkish Journal of Sociology* and that the study I/We are submitting has been prepared according to ethics rules, that in the event it is accepted for publication, that the right to make editorial corrections in the article to be published has been transferred to *Turkish Journal of Sociology*.
